## Naiyana Gold

Naiyana first opened Yardfahmadin in 2016 as a soul-healing sanctuary in Doi Saket, welcoming both individuals and groups on their healing journeys.

For over a decade, she has held space for others, and now continues to welcome souls home at Yardfahmadin's own land in Chiang Dao. With deep experience in the healing arts, Naiyana has cultivated a vibrant community of both local and international healers here in Chiang Mai.

Yardfahmadin Healing Home is a space she created to showcase authentic local healers and offer a central hub for holistic healing. It provides a gathering point where those seeking soul nourishment in Chiang Mai can easily connect with dedicated healers on their path.
